
Project Profiles - Shopping Centres

This Shopping Plaza in Thessaloniki, Greece was subject to a high incidence of graffiti. Rather than paint the main areas, the decision was made to coat with Guardian to assist with the cleaning and to maintain the image of the Plaza.

Project Profiles - Shopping Centres

Harbour Town Shopping Centre in Perth, Western Australia is protected with Guardian's Water Based Permanent Coating to create a combination of protection with easy maintenance.

Project Profiles - Shopping Centres

An Intermarche store in Portugal has the graffiti removed using Guardian's biodegradable graffiti remover as shown in the following photographs.

Project Profiles - Shopping Centres

When presentation and image are of the utmost importance, the coating protection offered by Guardian's coatings that are tinted to corporate colours is a cost effective option.

This McDonalds store in Athens is protected by Guardian.

Project Profiles - Shopping Centres

Econosto, a Dutch based international wholesale group, has protected this building with Guardian's protective coatings.
